DIRECTORS' REPORT.

TO THE SUBSCRIBERS TO THE HOSPITAL.

Ladies and Gentlemen,

We beg to present our Annual Report, with the Statements of Accounts, for the year ended 31st December, 1933.

Our first duty, a sad one, is to deplore the heavy losses the Hospital has sustained through the death of an unusual number of its chief supporters and friends; especially do we call to remembrance the following :—

The Right Hon. Lord Treowen, Lord Lieutenant of Monmouthshire, throughout his lifetime evinced a great interest in the welfare of the Hospital and its patients. He was ever ready favourably to respond to any appeal made to him for personal service, and could be relied upon to give his unfailing support to any effort which had for its object the well-being of the Hospital. In his last illness it was to him a matter of deep concern that he was unable to redeem the promise he made to the Hospital's President, the Right Honourable Viscount Tredegar, to perform the ceremony in connection with the Opening of the new Children's Ward Unit and the Nurses' Hostel.

Sir George Forestier Walker, Bart., for many years was one of the Subscribers' representatives on the Board. His regular attendance at the meetings, his unfailing courtesy and his anxiety "to do good for good's sake" endeared him to all those responsible for the administration of the Hospital and proved him to be a very sincere friend.

Mr. Peter Wright, when Mayor of the County Borough of Newport, in 1919, threw himself with unbounded enthusiasm into an appeal for donations to meet the capital expenditure which had been incurred in the erection of the Out-patient Department and other building extensions. It will be recalled that he was

splendidly successful, and that, in acknowledgment, he was made an Honorary Life Vice-President of the Hospital.

Mr. T. Morris Prosser, J.P., for some years represented the Subscribers on the Board, and served the Annual Fete and Carnival Committee, in their early efforts, by undertaking, with Mr. E. G. Nicholls, the onerous duties of Honorary Treasurer to that Committee; in this capacity and as Chairman of the Machinery Committee he rendered great service to the Hospital.

Dr. S. Hamilton qualified as a Life Vice-President in the year 1907, and, although his professional duties prevented him from identifying himself closely with the activities of the Hospital, he was able in many other ways to assist its work.

Mrs. Percy Powell showed her sympathetic regard for the Hospital's welfare by becoming a Life Vice-President in 1917, and since that time by supporting the various efforts made to raise contributions.

Mr. Richard Jones, Building Contractor, Caerphilly, erected the Nurses' Hostel and the New Children's Ward Unit, and, by carrying out his contract for this work in a most conscientious, energetic and efficient manner, fully justified the confidence which had been placed in him by the Directors.

We have, with deep regret, to report another great loss which the Hospital has suffered since the closing of the year by the death of Mr. Sam G. Jones, the Assistant Secretary. Mr. Jones had been in the service of the Hospital—with a short interval—for the past 27 years. Largely by his enthusiastic activity, the Annual Hospital Fete became one of the most successful events of its kind in the Kingdom, and a most gratifying source of income, and his organizing ability and continual enthusiasm as Secretary to the Workmen's Hospital Fund caused that Fund to become the main source of the income of the Hospital. He had recently suffered severely from ill-health, but we shall always remember his untiring and cheerful activity for the welfare of the Hospital that he loved.

We have conveyed an expression of our sympathy in their great bereavement to the respective relatives of these friends.

Hearty congratulations have been tendered to the President of the Hospital, Viscount Tredegar, upon the high honour conferred upon him by His Majesty the King in appointing him Lord Lieutenant of the County of Monmouth.

Congratulations have also been tendered to the following Directors and Hospital's helpers who were recently appointed, by the Lord Chancellor, Justices of the Peace for the County Borough of Newport :—His Worship the Mayor of Newport, Councillor F. J. Humphries; Mrs. Tom Jones, Mrs. R. T. Mann, Mrs. Leslie Jacobs, Mrs. Markwell, Mr. W. J. T. Collins, Mr. G. E. Dibdin, Mr. E. G. Nicholls, Mr. A. Denys Phillips and Councillor J. H. Swallow.

FINANCES.

It is regretted that no improvement can be reported in the Income of the Hospital. The Accumulated Deficiency has reached the total sum of £6,812 18s. 7d. through the addition of £4,310 1s. 10d. the amount of last year's excess expenditure over income. The continued industrial stress, bringing in its train lessened employment and the consequent diminution of means, again has adversely affected the sources of income. Perhaps the most disappointing item was the greatly reduced proceeds of the Annual Fete and Carnival. Unquestionably, the organizers were as enthusiastic in their self-sacrificing labours as ever, but, circumstances over which they had no control, proved too great a handicap to permit of a result to their efforts equal to the splendid successes of previous years.

Unless the Income is substantially increased, the Hospital's financial position at the close of the present year will be serious indeed. It must be remembered that to maintain the additional beds provided for the accommodation of fifty more child and women patients, made possible by the erection of the new Ward Unit, the Expenditure will be permanently increased by, approximately, £5,000 a year. It is evident that this must be met by Income constant in character and chiefly derived from regular periodical subscriptions and contributions, if the Hospital's present extended activities are to be maintained and its efficiency to remain unimpaired.

We are deeply grateful to the Committee of the Workmen's Hospital Fund for the valuable and splendid contribution they have again raised. Their deep regard for the well-being of the Hospital, and the strenuous efforts they have made to improve upon past successes, is highly appreciated, and it is earnestly hoped that their continual labours will be rewarded by a larger measure of support, particularly from those who would expect to be able to avail themselves of the facilities of the Hospital should these at any time be needed.

We are thankful that in the Fete and Carnival Committee there exists a happy and willing band of workers who strive year by year to make an important addition to the finances. Before, and throughout the whole of August Bank Holiday week last year, as on former occasions, they carried out their arduous tasks with enthusiasm and energy. Although this popular annual event did not realise the profit hoped for, it provided a very substantial item of income.

We appreciate the kind endeavours of those Ministers of Religion who invited the members of their congregations to respond to the "Hospital Sunday" appeal. The total contribu-

tions did not reach the amount received for the previous year, but, the difference was not of a serious nature. We must sincerely thank all those who gave their support to this effort.

The contributions from Shipping and the proceeds of the Hospital Balls remain most useful and welcome sources of income.

Acceptable support has been received from the local Rugby and Association Football Clubs, also other Sports Clubs, and from sympathetic friends who have organized entertainments and dances in aid of the Hospital.

GIFTS.

We wish to express our sense of deep thankfulness for the wonderful assistance given by the Ladies of the Needlework and Linen Guild under the guidance of their capable and enthusiastic Secretary, Mrs. Edward Coulman. In addition to the usual generous gifts of blankets. linen, and other necessities for the comfort and happiness of the patients, valuable gifts of quilts, curtains, and soft furnishings have been made towards the equipment of the new Nurses' Hostel. We appreciate very much the practical sympathy of the Guild, and wish them all success in their continued endeavours.

Numerous, too, have been those friends who have made acceptable gifts in kind. We recall the generosity of the Proprietors of the *South Wales Argus*, who, with the cordial co-operation and assistance of the members of their Staff, again appealed successfully for gifts of Eggs. We value, also, the interest taken in the Hospital by the members of the Old Patients' Association, and the endeavours they have made to retain the sympathy and help of ex-patients.

THANKS.

To all Subscribers, Donors, the Workmen's Hospital Fund, other Workpeople Contributors, Ministers of Religion, Owners of Shipping, the Hospital Fete and Carnival Committee, the Needlework and Linen Guild, the Hospital Balls Committee, Football and other Sports Clubs, and other organizations, and to the large circle of friends who by personal service and generous financial support have helped forward the Hospital's work, this opportunity is taken to convey our cordial thanks, and to express our warm appreciation of the many tokens of good-will received and the encouragement given in maintaining the efficiency of the Institution.

Reference was made in the previous Report to the handsome Bequests to the Hospital under the Wills of our late Chairman, Sir Garrod Thomas, and the late Mr. John French Williams, "Glanyrhosog," Peterstone, Wentloog.

It will be noted that the proceeds of the Rose Show have been allocated to the Endowment Fund. The Committee of that effort are anxious to raise a sum sufficient to endow a Bed, and they propose to do this by paying over to the Endowment Fund the net proceeds of future annual Rose Shows until their object has been achieved.

We thankfully acknowledge the receipt of the above-mentioned legacies and contributions.

E. G. NICHOLLS, Esq., J.P.
Vice-Chairman of the Board of Directors.

HIS WORSHIP THE MAYOR
(Councillor W. J. Wall)
Chairman of Fete and Carnival, 1933.

HONORARY STAFF.

We have pleasure again to record our heartfelt gratitude to the members of the Honorary Staff for their inestimable services. The skilful care and attention they have given to the patients has been the means of restoring many to complete health and strength, and so bestowing renewed confidence and happiness in numerous homes.

Important changes have taken place in the personnel during the year.

Mr. R. J. Coulter, the Honorary Consulting Ophthalmic Surgeon, requested to be released from the active duties he had agreed to carry out in the Out-Patient Department in conjunction with Mr. F. W. Robertson, the Honorary Ophthalmic Surgeon. His desire was acceded to. In order that Mr. Robertson should continue to receive competent help in his work, it was decided to appoint an Honorary Assistant Ophthalmic Surgeon. The successful applicant for this new position was Mr. W. J. Roche. M.D., M.Ch., B.A.O., D.O., D.O.M.S., who since his election in June last, has regularly attended the Out-Patient Department on each Monday afternoon.

In April last, Mr. J. A. Lee, the Honorary Ear, Nose and Throat Surgeon, having reached the age limit, tendered his resignation. This was accepted with regret and he was warmly thanked for the conscientious and skilful manner in which he had discharged his duties, and the valuable service he had rendered to the Hospital during the past eighteen years. In acknowledgment of this, he was elected Honorary Consulting Ear, Nose and Throat Surgeon. The vacancy thus caused was filled by the election of Mr. D. B. Sutton, M.B., B.S. (London), M.R.C.S., L.R.C.P. (London), F.R.C.S. (Edinburgh), D.L.O.

By the establishment of a Gynaecological Department it was necessary to appoint an Obstetric Physician and Gynaecologist. The situation was met by the appointment to this position of Mr. R. Glyn Morgan, M.C., M.B., B.S. (London), M.R.C.S., L.R.C.P. (London), one of the Honorary Assistant Surgeons. The vacancy caused by this appointment was filled by the election of Mr. J. Elgood, F.R.C.S. (England), L.R.C.P., M.B., B.S., one of the Honorary Anaesthetists.

The Staff of Honorary Anaesthetists has been augmented by the appointment of Mr. W. Verner, M.B., B.Ch., B.A.O. (Belfast), and Mr. H. A. Keane, M.B., B.Ch. (Dublin).

Mr. Magnus Mackay, M.C., M.B., Ch.B. (Edinburgh), of the Caerleon Mental Hospital, with the approval of the Directors, joined Dr. N. R. Phillips in the treatment of cases attending the Psychiatric Department.

We extend a cordial welcome to the newly elected memb[illegible] of the Honorary Staff.

The Directors have also to tender their grateful thanks to the Honorary Chaplains and the Honorary Organist for their continual services, to the Honorary Solicitors, whose assistance has been sought for and readily given, and to the Honorary Auditors for their careful attention to their very considerable work.

NURSING STAFF AND TRAINING SCHOOL FOR NURSES.

There were at the close of 1933 sixty-six Probationer Nurses undergoing training. During the year, sixteen completed the three years' course, of these, four have been accepted for a fourth year and four were retained for a shorter period to replace some off-duty through sickness; eight left; two obtained Staff Nurses' posts at other hospitals and six are continuing their training elsewhere in special branches.

Applications for training numbered 342; of these 34 entered, 24 of whom signed on for training.

In the State Examinations thirteen candidates were entered and passed the Preliminary, and in the Final fourteen passed out of a total of fifteen who were entered.

BUILDING EXTENSIONS.

On the 5th October last, the new Children's Ward Unit and Nurses' Hostel was formally opened by the Right Honourable Viscount Tredegar, President of the Hospital, before a large and fully representative gathering of the Hospital's supporters and friends. By these new buildings the accommodation for patients was increased by fifty beds, and very urgently needed and more commodious quarters were provided for the comfort and convenience of the members of the Nursing Staff. The Hospital's bed accommodation for patients is now as follows :—

Four Male Wards containing 82 beds.
Three Female Wards containing 64 beds.
One Children's Ward containing 50 beds.
"The Friars" containing 14 beds.
Total 210 beds.

as compared with the following accommodation which previously existed :—

Four Male Wards containing 82 beds.
Two Female Wards containing 40 beds.
One Children's Ward containing 24 beds.
"The Friars" containing 14 beds.
Total 160 beds.

The larger number of female beds which became available enabled the Directors to establish a Gynaecological Department, thus supplying a long felt need for that special branch of medical and surgical work which treats diseases peculiar to women.

APPEAL.

In our earnest desire to benefit the community and relieve the suffering in our midst, we met insistent calls for more bed accommodation by incurring an expenditure on these building extensions amounting to approximately £65,000. Towards this, £19,329 10s. 11d. has been found, leaving a liability of approximately £45,000. In the short time which has elapsed since the new extensions were opened full use has been made of the additional accommodation provided. It is not an easy matter to appreciate fully the difficulties with which we were confronted in the immediately preceding years by the non-existence of this additional bed accommodation for patients. These difficulties, although somewhat lessened, are not ended A long list of the names of patients, particularly male patients, needing treatment in the Wards still exists, but, until the present heavy financial burdens incurred on the recent extensions have been met, no further steps involving a large capital expenditure can be taken to remedy this. These financial burdens have now become a matter of the gravest concern to us and demand the most serious consideration of the general public.

In May next, an urgent appeal will be launched for contributions towards this huge deficit. The general public will be asked to decide by their support whether the Hospital is to continue its beneficent work at its present high level, or whether some of its activities are to suffer a curtailment. Any lessened facilities, reduced efficiency, or the closing of a Ward, is unthinkable, and must by every effort be avoided. Although times are depressed, and the area from which come the Hospital's patients is suffering most acutely, it is possible to raise the required sum, and thus remove all cause for anxiety for the Hospital's future, if all employers and employed will interest themselves in the proposed special effort and contribute to the best of their ability.

With the unfailing generosity which in the past has characterised the people of Monmouthshire, we confidently believe that we may rely upon a successful termination to the appeal.

STAFF.

In conclusion, the Directors wish to express their entire satisfaction with the efficient manner in which the Secretary-Superintendent and the late Assistant Secretary, the Resident Medical Officers, the Matron and the Dispenser, and their respective Staffs, and also the Gardeners and Porters, and other employees of the Hospital, have carried out their duties.

On behalf of the Board of Directors,
(Signed) T. BAKER JONES,
Chairman.

MEDICAL DEPARTMENT.

In-Patient Department.

As in previous years, the Henry John Davis Ward has been reserved for Medical Male Cases. This arrangement is very satisfactory both from a medical and nursing standpoint.

The female medical cases are treated in the Eleanor Ward and Ward VI., but we are looking forwarding in the not far distant future when we will have a Medical Ward entirely for the treatment of female medical cases.

The valuable addition of the new Children's Ward has facilitated very much the treatment of children. We find the Isolation Block of great service, as children can be admitted earlier without running any risk of infecting the Ward.

We acknowledge with gratitude the valuable help received in both diagnosis and treatment from the X-Ray, Massage, Electro-Therapeutic, Bio-Chemical and Bacteriological Departments. It is due to this that we are enabled to make use of the advances in the investigation of disease.

Waiting List :—Women, 87; Men, 132; Children, 38.

A study of the above lists will shew there has been a considerable increase in the amount of the work done on the General Surgical side compared with last year. There have been more in-patients and more major operations considerably. Over 100 increase in each case. This can be accounted for by the increase in accommodation on the Children's side and the establishment of a Gynaecological Department. The waiting list is still disappointingly heavy in spite of these extensions. The cry of all Hospitals in these times must be inevitably for more and more and more accommodation as there are more people requiring their services.

OPHTHALMIC DEPARTMENT.

The number of attendances at the Ophthalmic Out-Patients during 1933 shows some slight decrease :—

1932—5,022. 1933—4774.

The number of operations shows slight increase :—

1932 (Major)—144. (Minor)—274.

1933 (Major)—156. (Minor)—302

We are pleased to report that the Waiting List in the Eye Department is very small.

The equipment of the Department was further improved during the year by the addition of a new Diathermy Apparatus.

We very greatly regret the resignation of our esteemed colleague Mr. R. J. Coulter as Honorary Consulting Ophthalmic Surgeon.

Mr. W. J. Roche has been appointed Hon. Assistant Ophthalmic Surgeon and started a new ophthalmic clinic on Monday afternoons, commencing on July 3rd, 1933.

Once more we desire to express our thanks to our colleagues especially the Ear, Nose and Throat Surgeons, the Physicians, and the X-Ray and Electro Therapeutic Department, for their continued valuable co-operation and assistance.

(Signed) F. W. ROBERTSON, M.A., M.D., D.M.O.S.,
Honorary Ophthalmic Surgeon.

EAR, NOSE AND THROAT DEPARTMENT.

During the year the department has been largely re-equipped and the scope of the work has been thereby considerably widened.

The total number of Out-Patient attendances was 2,914, an increase of 303 on those of last year.

136 Minor Operations were performed in the Out-Patient Department, and 323 operations were performed in the main theatre.

In spite of the increased number of beds allocated to the Department the waiting list shews no diminution.

The work of the Department has been facilitated by the co-operation of and assistance given by the other departments of the Hospital.

(Signed) D. B. SUTTON, M.B., F.R.C.S.,
Aural Surgeon.

36 Patients were admitted into the beds allotted to the Department.

PSYCHIATRIC DEPARTMENT.

During the year 1933, 65 new cases have been seen at the Clinic, and there has been a total attendance of 195.

The varieties of cases seen remain much as in past years, but unfortunately many do not seek advice until the disease has become well established and valuable time has been lost. It is hoped that as the facilities for treatment under the Mental Treatment Act, 1930, become better known patients will come for treatment in the early days of the illness.

FORTY-FIRST ANNUAL REPORT.

The Executive Committee have pleasure in submitting to the contributors the Report and Statement of Income and Expenditure for the year ended 31st December, 1933. It is pleasing to note that in spite of the trade depression the Income of the Fund for 1933 shows an increase over 1932. We have increased our Bank Balance and have still been able to transfer £11,600 to the Hospital.

This has been brought about by the hard work and valuable services rendered by such a large body of willing workers.

Special efforts must be made this year to at least maintain, if not increase, the contributions. With this end in view Committees are being formed and will be set up in the Town and County.

It is with deep regret that we have to record the passing away of four members of the Executive, namely, the late Mr. L. Dhenin, Mr. W. Adams, Mr. Roberts and Mr. W. Williams. All these gentlemen were keen workers for the Fund and the Hospital.

Individual Section. This system, adopted to enable any individual to join the Fund, continues to grow and is proving of help to the Fund and the public. The Executive appeal to every Representative to do his utmost to bring the Contributory Scheme and the Individual Section to the notice of everyone.

In conclusion the Fund asks for the support of everyone in order to make a big increase in Income for 1934.

THE observance of the following Rules and Regulations will greatly assist the work of the Hospital :—
